PROFESSIONAL SUMMARY

Junior Full-Stack Developer with hands-on experience in **React, Node.js, Java, and MySQL**, and a strong foundation in **API integration, database management, and Agile workflows**. Recently completed a **Full-Stack Web Development Bootcamp** in London, building real-world applications including a travel blogging platform, blog system, and NGO website. Previously worked as a **Java Developer**, designing user-friendly interfaces and improving system performance. Passionate about writing clean, efficient code and creating impactful digital solutions.

TECHNICAL SKILLS

- **Frontend:** React, JavaScript, HTML, CSS, Bootstrap
- **Backend:** Node.js, Express, Java, Spring MVC, Django
- **Databases:** MySQL, SQLite
- **Other Tools:** RESTful APIs, GitHub, VS Code
- **Core Strengths:** Problem-solving, Agile teamwork, Analytical thinking, Time management

PROJECTS

Travel Blog Platform | Node.js, Express, React, MySQL, REST APIs

- Developed a responsive full-stack blogging platform with **user authentication, commenting, and category filtering**.
- Designed a dynamic React frontend and integrated MySQL database for secure and efficient data management.
- Collaborated in an Agile team using GitHub for version control.

Blog Application | Node.js, Express, MySQL, HTML, CSS, JavaScript

- Built a full CRUD blog system with **user authentication and category filtering**.
- Implemented RESTful API routes to enable smooth data updates and scalable architecture.

Portfolio Website | React, HTML, CSS, JavaScript

- Designed and deployed a responsive portfolio showcasing projects and skills.
- Implemented **modular React components** with reusable code architecture.

NGO Website | Bootstrap, HTML, CSS, JavaScript

- Created a mobile-friendly static site with **donation forms and event pages**, improving engagement.

WORK EXPERIENCE

Java Developer | Jajal Infotech, Gujarat, India

Aug 2018 – Sep 2021

- Developed and maintained Java applications using **Spring Boot, Hibernate, and SQL**.
- Designed and deployed **10+ user-friendly interfaces**, improving client satisfaction by 30%.
- Resolved **50+ critical bugs**, improving system uptime by 25%.
- Reduced deployment cycles by 35% through Agile process improvements.

Sandwich Artist (Part-Time) | Sub Food Ltd., London

Nov 2021 – Current

- Balanced work with studies, managing 25+ weekly shifts.
- Delivered high-quality service to 100+ customers daily with 95% satisfaction.
- Improved workflow efficiency, reducing delays by 15%.
